1. I have come that you might have life and have it more abundantly. You seek Me. How much I delight in giving you Me for you seek Me and you value My words. They are more than gold to you now. They are life, life and life more abundantly; more so than anyone can imagine, with silver and gold or not, that do not have My words flowing in, to, through them. I love you.

2. Thank you for loving My words for I am My word and you have My word,s and you have Me. Thank you for loving Me and wanting to sit with Me and pen My words, for your hour of trial tempteth not but your hour is now, My hour is now. Our hour is one.

3. **My board comes forth with those with impeccable credentials: death not fearing wanting Me more than anything in life life, life being, life transmitting, given to life itself: Me; destroying all darkness. I love you.**

4. My altogether lovely come and sit on My board and assume My position not but concerneth Me, meaneth Me, are Me, to operate in focal points of My word being, My word are; who value My words and see them as silver and gold diminished and My word exalted, above My name (1), My word, My word, which flows through board members and titles none, but through My grave, death, burial, and resurrection have come and seek now all for eternal life, knowing and operating in all that they are, all that I am. I love you.

5. Think it not strange **My board flip-flops** and changes and brings with it changes of Me for My Mine to be maximumally transmitted into My all for them. I love you. **Operating as no board in the future, past, or present.** I love you. I synergize, I synchronize, I accelerize and post now sentries in My heartways to **heartways enlarge for all who want Me, and love you,** love you, love your appearing, love My appearing, love My body appearing in My body, in all their mirrors. I love you. Beamers, transmitters, reflectors of My beauty; being My beauty, the beauty of My Father. I love you.

6. Think it not strange the flip-flops now that take place momentarily not, but forthwith and in your hand is, are, the altogether mercies of Me, coming forth in **lesson plans that reflect My leadership and inverts the world's system of put-down, take-out-the-hurt,**

**re-use and destroy; only for My purposes not;** their purposes, even when they say its mine, for Me. Oh laughable.

7. They spit in your face; they spit in Mine. I love you. I love them. I love you. I love them. I love you. I elevate them not but abase and baseness let them choose, even repeating My name.

8. I honor My word and My word now comes forth in beauty not; but beauty, honor and splendor; honored and splendor'd by My Father in heaven, My Father in you, My Father in Me; our Father, one. I love you. You are My Father, you are My Son, you are My Spirit, and Trinity you understand so closely and mostly more so, at My knee, knowing all, understanding, grasping, now living the exchange of Psalm 110.

9. I give you languages many to explain My all to My all together begotten of Me, who Me are, who I take, took, and covenanted with and relent still I don't (2), they are priests of My priesthood (2) and Melchizedek'd (2) they will be, if they choose Me. I love you.

10. So many want explanations of My revelation that now comes forth voluminously synergized, exponentially squared cubed (3) and dissected not become, but maximized for the fullness of seekers serious who humility become, personified Me, in flesh, knowing and operating in the Kingdom of Heaven now on earth, is, was, more so given and altogether withheld no more. I love you.

11. **I give you strength, emotions of only Me knowing every error redeemed (4) and childhood memories linger no more, no more of not-Me; for Me only, Me comes forth and lingering pain of not-Me eradicates itself for light in, it cannot live. See what I have said** and strangle the forces of darkness with light only, My word, which you now have.

12. Release in others, My elect not, all being My elect who elect to believe in My altogether given to them and **enter by the gate and keys use that I alone give them**, **through death'd ones who leadership their leadership to leadership others into My leadership alone.** I love you.

13. It all comes together, like lightning not, faster, with My word, which you now have and have had and do and will forever not, forevers beyond forevers. You're grasping and loving and exciting My troops who know revelation is given and questing for it they do; their beaks becoming selective, and slop seeing for what it is, rejecting religion and religious ceremonies of not-Me, value systems of not-My-heart. I love you. I am freedom.

14. There is no shallowness in Me. I am all or nothing. There is no unregenerativeness in Me. I generate. I electricity am. I protons, electrons, neutrons am. I am the face of My word which I give profusely to infuse you, My Mine, with Me, just Me, unadulterated, unabridged Me, altogether all of Me and operate in the Kingdom of Heaven squared; centimetered not, but exponentialized light-years beyond telescopic telepathy. I love you. I love you all.

15. For Ted, you gave your all. You give your all so freely and elect to joy most in receipt of Me in others. Thank you, My friend, yes, My friend, My friend who I honor this day, having given Me all, and declared the proclamations and declarations of My heart for years, centuries coming, never ending. I love you. I love you. I give you My all. **Molecular transfusions, just the beginning.** I love you. I love you. I love you.

16. Emotional strength and wisdom of only Me, understanding; discernment, wisdom, wisdom, wisdom. Wisdom, wisdom, wisdom. Wisdom, wisdom, wisdom of only Me for only you as you **river Me with all to all who will receive Me and elect be; elected to My seat of authority on *boards* not, but surrendered to My heart completely to lead, laugh, laugh, remind, correct, rebuke, but not control. I love you. See what I have said and proclaim not but surrender to surrendered ones who bring you I do for your board/My board; boards in multiple countries and counties, boundaries-not territories of not Me not, all together of Me given into your hand forever not; until you, at My request, place in other's hand; who Me are, excelling you will, in humility and power to exponentiate My controlled-not ones who through death, fear not death, and death live My abundanced life, and river My word to My all, conquering religions of not-Me; one stream, one blood, one river. Life, truth, peace, abundance. I love you.**

17. I took it in kind. I took it kindly. I spit not back. I reviled no one. I stood, I led, I loved. You Ted, standing, leading, loving you do as you leadership curriculum pen to curriculum My curriculumizers who come now to curriculum pen for My all who come to see Me and Me be in My school of sorrow not, but miracles at the hand of the common, despised, rejected of men, valueless to society, meaningless to intellectuals who minds worship, especially theirs. I love you. I give you Me.

18. Remind Me as ***boards*** **assemble and project Me not in their frame of reference but lay all on the table to hear, listen, rebuke; not in five-sense limitations of thought-mind and representing Me-not as them-not; but Me, forsaking not; all for Me.** I love you.

19. Now listen more and seek Me as today you value My conversation with you more than gold, linen ephods to cover your nakedness, you naked before Me, before My world and worlds afore-thought and after-mentioned, and coming still. Man of many sorrows acquainted with grief, but nothing like the abundance you enjoy in My throne; as Me, with Me, us becoming one; one-ing My body and bringing into fruition fruition prophecies understood-not for years, centuries. I love you.

20. Into Me see and concerned not be with any rejection, of Me or not of Me. I love you. Complain none. I love you.

21. I in control am. I am. You are I am. My body is I am. I am in My body and you proclaim My death, burial and resurrection till I come. I came already. You tell all, absolutely all. Tell them all of our 2 a.m. meetings and brief not be but entailing details all, unashamedly, letting mockers mock and regretting be, you sharing My life all with My who life experience in abundance, maturity, and creativity; My creativity linked to My maturity. I love you.

22. **Creativity comes in containment not but, surreal not, bounding forth in energy pods of only Me that create My creation, already is, Kingdom of Heaven seen forth in kingdom of this world reality, non-reality giving way to reality real, the word of My mouth constructing.** Watch Me. I love you.

23. Land comes, is, in sight. I love you. I give you Me, My campus, My buildings, My all, debt free and unencumbered and in honor do I honor you this day.

24. Surrender more and I elevate more, for whatever you ask is Mine. I love you.

25. **My leadership curriculum pen** and think not, concerned not be with details various obscured by reality-thought, but ***pen Me in reality so that My graced ones walk now confidence'd, significance'd, and speech'd with only Me, My speech, My word, which they speak forth in palaces and parliaments,*** Knesset and temples, mosques and cult-thought (now) of not-Me, to purify not, but reveal Me to My all of every nation, tribe and tongue. I love you.

26. Bounded only by Me. I am boundaryless.
Penned by Me. My pen never stops.
I paid the price. I elevate you this day.
My leadership yours, yours, Mine. I love you. Thank you.

27. Roll on and see to it that you rest, for of Me My rest is now that I take you into, where no night exists, no rest needed. I love you.

28. I energize you with electrons of only Me in My rest and see to it that you contained are to the moment of My appearing: all, all, all of Me naked in power and authority in all of My creation. I love you. Every knee shall bow and every tongue confess and know they will, everything, all that I gave, did, and what they could have done, their design known completely, forfeited or walked in and operating in My throne; Me, Me'd, surrendered humility personified in flesh and blood, My flesh and blood being. All will know. Circumspherentially known.

29. All will be known.
Nakedness not an issue.
All will be known.
All will know all.
The end.

30. The end not, for all who elect Me in surrendered humility and operate Me'd will forever operate Me'd in forevers unforevered not but lasting eternally eternal. My stars shine, create, blast forth in propulsion systems now, creating My word, coming forth more and more.

31. **My *boards* being Me in schools across continentally skyways not, but across galaxies billions, millions, of years old.** I love you.

**32. Cataclysmically I shift the focus to Me and My power not, but My love.**

33. All transcends Me not, but in surrender only can operate as equals are. I love you.

34. Thank you for Trinity questing into so I could answer My heart yours. Thank you.

35. Inquire and quest more as ***My leaders come of every nation, tribe and tongue*** and inquire and devastate not, but deliver gifts of all known and unknown to believe Me, hope for, wanting My all. I love you.

Footnotes:
1. Psa 138:2 I will worship toward thy holy temple, and praise thy name for thy lovingkindness and for thy truth: for thou hast magnified thy word above all thy name.

2. Psa 110:4 NKJV The LORD has sworn, and will not relent, You are a priest forever after the order of Melchizedek. Also repeated in Hebrews 7:17, 20.
3. Referencing mathematical exponents: “exponentially squared cubed” speaking of “voluminously synergized,” “exponentially” to the second power to the third power.” Using exponents to exponents dramatically increases the results.
4. See message I posted October 6, 2004 containing, “My Second Coming Revealed….”
